**OPENING DECEMBER 2008**  
**PEAK 2 PEAK**

The new world-class Skyway PEAK 2 PEAK Gondola will connect the two mountains between Whistler and Blackcomb Mountains, giving unprecedented access to both mountains' scenery and unique high alpine terrain and spectacular views in just 11 minutes.

**TELESKOPIC PARKS**  
NOTE: Highest level parks for experts only and require a separate lift ticket.

**KIDS**  
Check out our Mega Castle Trail's just for kids. Available via Easy Out, just above the base of the Callaghan Chair on Blackcomb Mountain.

**FAMILY ZONE**  
A great place to introduce your kids to the slopes, baby!

**EASIEST**  
OLYMPIC STATION. Home to a whole area designated for teaching, learning, ropes, easy learning trails, all within a low falling zone. If you're new, read the big, readable before, this is the place to start.

**COCA COLA TUBE PARK**  
1,000 feet of tubing perfection. Open until 8pm.

**VILLAGE**  
Whistler PEAK, Whistler Blackcomb Rentals, 500 MERRILL ST. (W. OF HWY 99)

**SLOW ZONES**  
Keep an eye out for our Mountain Safety Team in their bright yellow jackets monitoring the Slow Zones. Slow Zones are in effect in teaching areas and high traffic zones for your safety. Please also watch for the bright orange beacons that indicate all traffic must be kept to a slow, controlled manner.
